LC-10MP

The Perfect starter package!

The perfect starter-prompting package for those times when weight is an issue. This 10" SVGA color LCD systems weighs only 14 pounds. New components allow the monitor to electronically reverse the text so your software won't need to. Prompter includes easy fold-down hood and new 13":x11 1/2" trapezoid glass mirror, adjustable height camera riser to fit almost any camera & tripod, top-of-the-line EZPrompt XP software, 25' cable, and mouse controller for the software. This system recommended for indoor use only.

\$2,295.00

Features

- 10" SVGA color LCD monitor with Plug & Play Auto Sync.
- Large 13"x12" True 60/40 Beamsplitter mirror in a wide angle Trapezoid shape for HD cameras. The tops in the industry!
- "Light-Tight" design will not allow light from rear of monitor. Luggage grade Cordura fabric lens-hood surround.
- The only adjustable height camera platform in the industry. Holds any camera at the correct position. Makes for super "EZ" set-up!
- No counterbalancing needed with the most adjustment range in the industry. Perfect balance every time!
- All aluminum components with durable Powder-coat finish. Extremely tough!
