MIRROR IMAGE

LC-150MP

The perfect entry level prompter for those on a tight budget.

This 15 inch SVGA system is just the right size and weight for most camera prompting situations. It is easy to read from 15 to 25 feet away. The unique all-aluminum mount arm balances perfectly with most camera or tripod combinations...never requiring a counterweight. Extremely large, all glass trapezoid mirror reflects super crisp and sharp text. This system recommended for indoor use only.

\$2,295.00

Features

- 15" SVGA color LCD monitor with Plug & Play Auto Sync.
- Large 16"x15" True 60/40 Beamsplitter mirror in a wide angle Trapezoid shape for HD cameras. It also has an anti-reflectant coating on camera side. The tops in the industry!
- "Light-Tight" design will not allow light from rear of monitor. Luggage grade Cordura fabric lens-hood surround.
- The only adjustable height camera platform in the industry. Holds any camera at the correct position. Makes for super "EZ" set-up!
- No counterbalancing needed with the most adjustment range in the industry. Perfect balance every time!
- All aluminum components with durable Powder-coat finish. Extremely tough!
